# World Health Day 2021

**Venue** : Auditorium SITAMS

**Date** : 07.04.2021

All over the world, some groups struggle to make ends meet with little daily income, have poorer housing conditions and education, fewer employment opportunities, experience greater gender inequality, and have little or no access to safe environments, clean water and air, food security and health services. This leads to unnecessary suffering, avoidable illness, and premature death. And it harms our societies and economies.

***Committed to ensuring that everyone, everywhere, can realize the right to good health.***

Sreenivasa institute of technology and management studies made its mark in celebrating **World Health Day** 2021 on 7<sup>h</sup> April 2021. We conducted a workshop to our students on Yoga is an life change. The program began with a special talk on yoga and human health benefits in online mode by Vaalum Kalai Payirchi Maiyam. More than 150 students were participated.
