

INDUSTRIAL VISIT

Revands Plastic, Puthalapattu, Chittoor

The MBA students participated in an Industrial tour, led by Ms. Pavithra, HR Manager. The tour provided insights into the manufacturing process, marketing strategies, and business operations. Ms. Pavithra and her team shared their expert knowledge, addressing student's queries and offering practical advice. The tour effectively bridged theoretical concepts with the real-world applications, enriching the students' understanding of industry operations.
