

**SREENIVASA INSTITUTE OF TECHNOLOGY AND MANAGEMENT STUDIES,  
AUTONOMOUS, CHITTOOR**

**DEPARTMENT OF SCIENCE AND HUMANITIES  
LIST OF EVENTS ORGANIZED  
(2019-2020)**

<b>S.No</b>	<b>Type of the event</b>	<b>Name of the event</b>	<b>Date</b>	<b>No.of beneficiaries</b>
1	Workshop	Seven Secrets of Success	24th & 25th January 2020	300
2	Paper Presentation	Applications of Engineering Mathematics	12 <sup>th</sup> February 2020	30
3	Quiz	Applications Of Engineering Mathematics	19 <sup>th</sup> March 2020	120
4	Debate Competition	“Why Mathematics Is Compulsory For Engineers”	6 <sup>th</sup> April 2020	100
5	Paper Presentation	Material Science and Engineering Applications	26 <sup>th</sup> February 2020	110
6	National Level Webinar	Journal Citation Reports	27 <sup>th</sup> June 2020	350
7	Guest lecture	Importance of Time management in Engineering	19 <sup>th</sup> June 2019	220
8	Guest lecture	Knowledge Updating to meet the Placement Challenges	6 <sup>th</sup> July/2019	200
9	Guest lecture	Barriers to Success	10 <sup>th</sup> July /2019	180
10	A one day Seminar	New Advances in Mathematical and Computational Sciences	6 <sup>th</sup> August 2019	150
11	Webinar	Mathematics using R-Programming	18 <sup>th</sup> September 2019	150
12	Guest Lecture	Differential Equations	20 <sup>th</sup> October 2019	350
13	Guest lecture	Inspire and Motivate You	14 <sup>th</sup> December 2019	150
14	Workshop	Applications of Mathematical Sciences	4 <sup>th</sup> December 2019	150

## **Report on a Two Day Workshop on “Seven Secrets of Success”**

A Two Day Workshop on “Seven Secrets of Success” was conducted on 24th & 25th January 2020, Mr.Syed Noor Md Shakir (Limca Record Holder) CEO, Empower Training Solutions acted as the resource person and motivated the students. The function was inaugurated by the Principal Dr.P.Ramesh Kumar, and the Vice Principal Dr.K.Sreekanth. The principal addressed the gathering by imposing the important steps needed to go to our true success, Nearly 300 from various branches of B.Tech, MBA and MCA students benefited

## **A Paper Presentation on** **“Applications of Engineering Mathematics”**

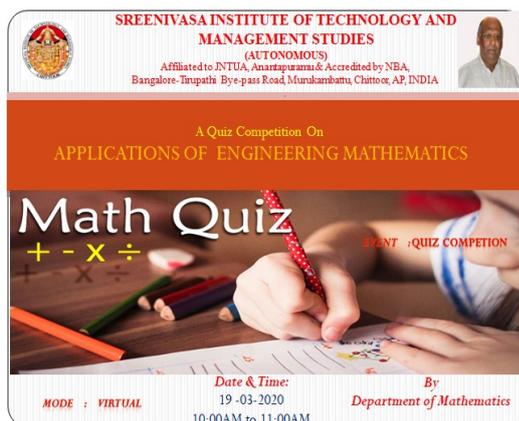

The main advantage or motto of the presenting paper is to bring students out of stage fear and also improve their communication skills and to get rid of the stage fear. It also provides you an opportunity to learn in detailed about a core subject which is a part of curriculum and develop effective presentation skills. Sreenivasa institute of technology and management studies conducted a paper presentation event for I B.Tech students on “Applications of Engineering Mathematics” of mathematics on 12<sup>Th</sup> February 2020 at Gallery. Around 30 students are presented their papers and utilized this opportunity to enhance their learning skills. The Department of MATHEMATICS organized this event at Gallery, Academic Block for I B.Tech students, around 30 students, and Members of Faculty participated in this event. Finally, vote of thanks was proposed.

## Report on Quiz Competition

### “Applications of Engineering Mathematics”

Quizzing is an art and a test of the intellect. The Quiz club of the college aims at identifying students with quizzing talent and creating opportunities for them to sharpen their quizzing skills. Quiz Club is a unique and exciting way to motivate, inspire, encourage and reward students in their quest for knowledge and provide them with the opportunity to celebrate their achievements as part of a high profile, national competition. The main objective of quiz club is to popularize quizzing activities among students and to encourage them to take part in all competitive examination at state and central level. Using Maths quizzes could be the best way to learn Mathematics. The most important thing is to encourage students to love mathematics. Sreenivasa institute of technology and management studies made its mark to realize the importance of mathematics in engineering by the conduction of a quiz competition on “APPLICATIONS OF ENGINEERING MATHEMATICS” on 19<sup>th</sup> March 2020 in virtual mode, around 100 students are participated and utilized this opportunity to show their skills.

## Report on Debate Competition

### “Why Mathematics Is Compulsory For Engineers”

Debating will help us to develop critical thinking skills that are essential in daily life. Critical thinking is the ability to make well thought out and reasoned arguments while also questioning the evidence behind a particular conclusion or stance. There’s a special branch of mathematics that deals with problems ‘in real life’. This branch is called applied mathematics; Applied mathematics is often used to solve complex practical problems. And it is when used by engineers that this kind of mathematics brings about the most invaluable real world solutions to our problems

Sreenivasa Institute of Technology and Management studies made its mark to realize the importance of mathematics in engineering by the conduction of a Debate “Why Mathematics Is Compulsory For Engineers” on 6<sup>th</sup> April 2020 in virtual mode, around 100 students are participated and utilized this opportunity to show their skills.

## **A Report on Paper presentations**

**on**

### **Material Science and Engineering Applications**

The Department of Science and Humanities, Sreenivasa Institute of Technology and Management Studies conducted a paper presentation event on 26<sup>th</sup> February 2020 between 10.00A.M to 12.00 pm at Gallery in the presence of Principal Dr. P. Ramesh Kumar and HOD Dr. H. Umamehesvari. On this occasion we have conducted Paper presentations on the topics Material Science and Engineering Applications for B.Tech Students. The program started at 10.15 AM with a prayer song by Ist year students. The welcome speech by Dr.H.Umamaheswari. Various college students presented papers on different topics. The prize winner are announced by the Judges and certificates are issued to participants and best paper winners. Finally Progamme ended with felicitation of resource persons and vote of thanks by Dr. P. Ramesh Kumar, Principal. Dr. Vishu Prasanth, Associate Professor, Sree Vidya Nikethan Engineering College , Thirupathi and Dr. B. Srinivasulu, AITS, Rajam Peta acted as chief Guests and distributed the certificates and prizes . Nearly 110 students participated.

## Report on One Day National Level Webinar

### Journal Citation Reports

A one day Workshop on “Journal Citation Reports” was conducted on 27-06-2020. The event was inaugurated by the Principal Dr.P.Ramesh Kumar .The event coordinator and Dr.T.Jayanthkumar, Asst.Professor, Department of Science and Humanities addressed the gathering and explained about the significance of conducting such seminars for the students. After the inauguration the chief guest Dr. Purusotham Singamsetty, Department of Mathematics, School of Advanced Sciences, VIT, Vellore, explained about the importance of publishing papers in journal and Journal citations . The interaction session was followed the feedback session. The Vote of Thanks was given by the seminar event member Dr.V.Geethavani. Nearly 350 students and faculty benefited.

**Sreenivasa Institute of Technology and Management Studies**  
(Autonomous)  
Accredited by NBA & NAAC, Affiliated to JNTUA, Anantapuramu,  
Bangalore-Tirupathi Bye-pass Road, Murukambattu, Chittoor, AP, INDIA.

**WELCOME TO**  
*A One Day SDP on*  
*on*  
**Probability & Statistics Using R**

Resource Person: **Dr. Purusotham Singamsetty**  
Department of Mathematics,  
School of Advanced Sciences, VIT, Vellore  
18 July 2020

Organized by  
**Department of Science and Humanities, SITAMS, Chittoor.**

**Programme Schedule**

- Inauguration @ sharp 10:30 AM
- Principal's Note
- Head, Dept. of S & H Note
- Introducing the Resource Person
- Handing over the Session to Resource Person
- Session for Queries
- Vote of Thanks
- Releasing Feedback Link

**NBA**  
ACCREDITED  
CSE, ECE, MECH, & MCA

## Report on Guest lecture

### “Importance of Time management in Engineering”

A guest lecture on “Importance of Time management in Engineering” was conducted on 19-6-2019 in SITAMS Gallery. The event was inaugurated by the Principal Dr.P.Ramesh Kumar .The event coordinator and HOD of Science and Humanities addressed the gathering and explained about the significance of conducting such guest lecturers for the students. After the inauguration the special invitee Mr.J.Manoj Kumar Yadhav, Branch Manager, PSAFL, Speed mark, Forwarding Pvt.Ltd., Banglore, explained about the significance of time management in B.Tech course. The interaction session was conducted to clarify the doubts of the students. The interaction session was followed the feedback session. The Vote of Thanks was given by the seminar event member Mr. Syed Fazuruddin. Nearly 200 students benefited.

## **Report on Guest lecture**

### **“Knowledge Updating to meet the Placement Challenges”**

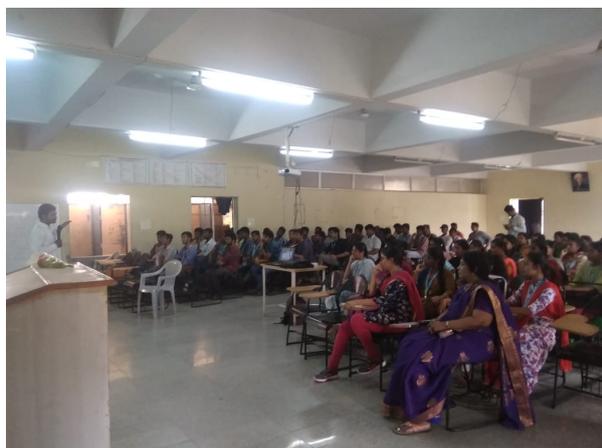

A Guest lecture on “Knowledge Updating to meet the Placement Challenges s” was conducted on 06/07/2019 in SITAMS Gallery. The event was inaugurated by the Principal Dr.P.Ramesh Kumar .The event coordinator and HOD of Science and Humanities addressed the gathering and explained about the significance of conducting such guest lecturers for the students. After the inauguration the special invitee Mr.Smd Mubasheer, System Manager, Infosys, Chennai, explained about the significance the skeptical stones for success and the barriers we need to get rid in order to achieve success in life. The interaction session was conducted to clarify the doubts of the students. The interaction session was followed the feedback session. The Vote of Thanks was given by the seminar event member Dr.V.Geethavani. Nearly 200 students benefited by the programme.

## Report on Guest lecture

### “Barriers to Success”

A guest lecture on “Barriers to Success” was conducted on 10/07/2019 in SITAMS Gallery. The event was inaugurated by the Principal Dr.P.Ramesh Kumar .The event coordinator and HOD of Science and Humanities addressed the gathering and explained about the significance of conducting such guest lecturers for the students. After the inauguration the special invitee Mr.T.S.Paul Povas, HR Executive, Krya IT Solutions , TN, explained about the significance the skeptical stones for success and the barriers we need to get rid in order to achieve success in life. The interaction session was conducted to clarify the doubts of the students. The interaction session was followed the feedback session. The Vote of Thanks was given by the seminar event member Mr.S.Riaz Ahammed. Nearly 180 students benefited.

## Report on a One day Seminar

### “New Advances in Mathematical and Computational Sciences”

Assuring a smooth flow of information, seminars and workshops encourage passionate dialogue and active engagement, enhancing students' skills and knowledge. Seminars improve the confidence among the individual.

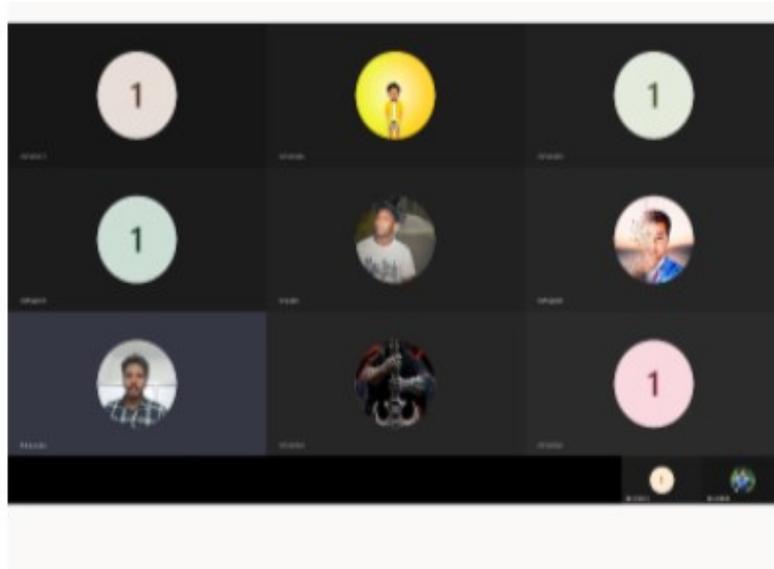

Sreenivasa institute of technology and management studies conducted a a one Day Seminar event for I B.Tech students on “New Advances in Mathematical and Computational Sciences” on 6Th August 2019 at Gallery, around 150 students are participated and utilized this opportunity to improve e their learning skills. Dr.K.Sreekanth. Professor in Mathematics , SITAMS and Dr.U.Balakrishna, Professor , SITAMS, Chittoor and Dr.S.Muthu , Assistant Professor, Govt.Arts college , Kancheevaram addressed the students and motivated tolear the computational science to implement in mathamtics.

## Report on Webinar

### “Mathematics using R-Programming”

A webinar provides an interesting and informative platform for new and existing concepts of mathematics that will deliver really valuable content to peer engineering community. Sreenivasa institute of technology and management studies conducted a one Day Seminar event for I B.Tech students on “Mathematics using R-Programming” on 18<sup>th</sup> September 2019 on virtual mode, Dr,A,Saravana , Assistant Professor, MITS, acted as the chief guest and gave a very informative session on “ Mathematics Using R Programming” , around 150 students are participated and utilized this opportunity to improve their learning skills through R-programming. Principals, Deans, Hods, and Members of Faculty participated in this event. Finally, vote of thanks was proposed.

## **Report on Guest Lecture**

### **“Differential Equations”**

In a guest lecture, students get new perspectives and opinions that are often missed in a regular class. A guest lecture gives students a better opportunity to learn about an explicit topic in a way that gets them involved in the class and actively join in a more convenient way of teaching.

Sreenivasa institute of technology and management studies conducted a Guest lecture for I B.Tech students on “Differential Equations” of mathematics on 20Th October 2019 by an eminent Professor Dr. P Hari Prabakaran, Department of Mathematics, Thiruvalluvar University, Vellore, Tamilnadu in virtual mode, around 350 students are participated and utilized this opportunity to enhance their knowledge.

The Department of MATHEMATICS organized this virtual guest lecture for I B.Tech students, around 350 students, and Members of Faculty participated in this event. Finally, vote of thanks was proposed.

## Report on Guest lecture

### “Inspire and Motivate You”

A Guest lecture “Inspire and Motivate You” was conducted on **14/12/2019** in SITAMS Gallery. The event was inaugurated by the Principal Dr.P.Ramesh Kumar .The event coordinator and HOD of Science and Humanities addressed the gathering and explained about the significance of conducting the guest lecture. After the inauguration the chief guest Resource: Mr.P.A.Firoz, Branch Manager, PSAFL. Speed mark. Forwarding PVt/. Ltd. Bangalore, explained about how the students can motivate themselves in getting good score and Good job after completion of the B.Tech. The interaction session was conducted to clarify the doubts of the students. The interaction session was followed the feedback session. The Vote of Thanks was given by the seminar event member Mr. N.R.Tulasiprasad, Nearly 150 students benefited.

## Report on One Day A Workshop

### “Applications of Mathematical Sciences”

Math Workshop enhances student’s creativity and knowledge by making learning more student-centered—pushing students to reflect, reason, collaborate, communicate, and make sense of mathematical content—transforming them from math students to student mathematicians. Sreenivasa institute of technology and management studies made its mark to realize the importance of Differential Equations of mathematics in engineering by the conduction of a Webinar “Applications of Mathematical Sciences” on 4<sup>Th</sup> December 2019 in virtual mode, Dr.P.Hemadri, Assistant Professor in VIT acted as the resource person and given an elaborated lecture on “Applications of Mathematical Science. Around 150 students are participated and utilized this opportunity to enhance their knowledge. The Department of MATHEMATICS organized this virtual Workshop. Principals, Hods, and Members of Faculty participated in this event. Finally, vote of thanks was proposed.

The poster features the Sreenivasa Institute of Technology and Management Studies logo on the left and a portrait of Dr. P. Hemadri on the right. The central text reads "A Workshop On Applications of Mathematical Sciences". Below this, it specifies "EVENT : WORKSHOP" and "Date & Time: 04-12-2019 10:00AM to 12:00PM". At the bottom, it states "MODE : VIRTUAL" and "By Department of Mathematics". The background is a blue gradient with various mathematical formulas and a laptop displaying a graph.
