

Industrial visit

II year Students of MBA, SITAMS visited **Srini Mega Food Park** located at Mogili village, Chittoor district, Andhra Pradesh on 15/03/2022. As a model 'Mega Food Park' and the first of its kind in India, it provides state-of-the-art food processing infrastructure designed as per global standards Mega Food Park is promoted by experienced professionals and supported by the government (the Ministry of Food Processing Industries and the Andhra Pradesh Infrastructure Investment Corporation) and benefits all components of the value chain.

In the course of this industrial visit students are able to gain knowledge on the aspects like plant layout, plant location, job shop process, frozen technologies used in preserving food products and other production related areas.

In particular Students were able to get real time knowledge and experience on production aspects that happen in the production department of the Srini Mega Food Park. Students observed **TetraPak packaing, Aspectic Pulp Processing Unit and IQF Processing Unit** of Tamato processing. The heads of the departments and HR manager gave brief explanation on their policy and procedures implemented in the company.

A team of 51 students of II MBA I semester accompanied by two faculties i.e. Dr H Viswa Kiran and Dr R. Priyadarshini ,Assistant professors, Department of management studies visited the company.

Feed back of the students: All the students who attend the industrial visit were extremely happy with the visit and were able to memorize the concepts that they have studied in the subject production and operation management. They are also satisfied with the interaction happened with the industrial experts.
