Chairman's Message

The service of the institution in creating personally mature, professionally equipped and service-oriented graduates is really worth mentioning. We strongly believe in academic excellence and do not compromise on teaching standards or discipline. To meet pace with fast emerging technologies and rapidly changing world around, we try to nurture attitude of a leader and a lifelong learner among our students. Teachers are trained not only to teach well but are also expected to inspire confidence and trust in their students and become role models. Further, SITAMS inculcates in the students a respect for tradition and ensure discipline and good manners. We are confident that this SITAMS (A) is the best place for you young children. We look forward to your continuous support.

Sri. K. Ranganatham,

Secretary's Message

Sri D. K. Badri Narayana,
Secretary

We started our college with the vision of providing quality education to rural and urban youths. Our college owns world-class infrastructure and facilities includes state-of-art laboratories for Academics and Research, carrier development, placement cell and library. SITAMS known for its qualified and well experienced faculty members. At SITAMS, we provide a conducive environment for young engineers where they can be creative, learn to solve problems and express themselves. I am sure that we will achieve our mission with the cooperation and team work of every member of SITAMS.

Principal's Message

SITAMS is committed to achieve excellence in technical, management, pharmacy education & research and assesses the success and leadership of its programs using the highest standards of quality, innovation, and visibility. Our goal is to be the most preferred choice of students, faculty & industries and to be in the top in every discipline of engineering, management, and pharmacy. Our aim is to achieve global leadership in human development & excellence in education. Our objectives of imparting professional education, combined with fostering innovative thinking, application of knowledge, inculcating professional ethics and consciousness to social responsibilities, are being met at SITAMS (A) in an integrated form.

TAFE R&D Lab in SITAMS, Chittoor

On November 29, 2024, the delegates from Tractors and Forming Equipment (TAFE), Chennai Mr. Ravindran and Mr. Srinivas visited SITAMS college at Chittoor to establish The Centre of Excellence and innovation lab in the college. The delegates delivered presentation to the final year students on Smart Farming, technology in agriculture and its importance in the modern world. The delegates appreciated the students for their ideas and implementation of the ongoing projects.

The delegates encouraged the students to do the research and development on agriculture based machinery, for smart forming. Using the niche technologies like Artificial Intelligence, internet of things, machine learning and data analytics developing the Drones, Tractors etc. which facilitate the farmers to yield more production with less investments.

The TAFE Company will provide funds on required equipment and other resources to carry out the R&D activities at SITAMS. College Chairman Sri K Ranganatham garu and Managing Trustee Smt. Kalpaja appreciated the delegates for providing this opportunity to the college students. In this event, Dr. K L Narayana, Academic Adviser, Dr. Venkatachalapathi, Principal and Heads of the Departments participated.

Events

Events conducted under department Association SPARKLE("Society for Promoting AI Research Knowledge Learning and Excellence")

Sparkle is CSE(AI) department association that invites undergraduate students from science and engineering colleges to tackle real-world challenges across various themes such as Generative AI, Embedded Software, Digital Public Infrastructure (DPI), Autonomous Vehicles, and Sustainable Mobility. The Sparkle provides a prestigious platform for students to show case their creativity, technical skills, and problem-solving abilities, aiming to transform mobility into a cleaner, smarter, and safer.

Events Conducted on 24.08.2024

INDUCTION PROGRAMME FOR I B.Tech Students 2024-25

Student Induction Programme (SIP)

The motivation behind the Student Induction Programme is to help new students to adjust and feel comfortable in the new environment and inculcate the ethos and culture of the institution. It also helps them to build bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration. Student Induction Programme engages with the new students as soon as they come into the institution; before regular classes start. At the start of the induction, the incumbents learn about the institutional policies, processes, practices, culture and values.

As per the AICTE guidelines, a three Weeks Induction Programme was conducted by Sreenivasa Institute of Technology and Management Studies (Autonomous), Chittoor, from **25-07-2024 to 10-08-2024**.

Orientation Programme

As the part of the induction programme, the Orientation Programme was conducted. Sri.K, Ranganatham, Chairman, Sri.K.Badrinarayana , Secretary , Dr.K.L.Narayana,Dr. N. Venkata Chalapathi and Dr.M.Saravanan addressed the gathering and motivated the students in achieving their goal through hard work, dedication and determination. In addition to that the dignitaries made the students to aware of diverse job opportunities which are available for the various Engineering Branches. Then the Principal Dr. N. Venkata Chalapathi introduced the head of the Departments of of SITAMS to the gathering.

An Orientation Session was conducted by The Principal Dr. N. Venkata Chalapathi and The COE Dr.S.Rajesh about the Assessment Procedure at SITAMS, in that the elaborately discussed about the Course structure of various courses , Internal and External theory & practical examinations assessment procedure , attendance requirements etc.,

The parents and the freshly joined students attended the programme with great enthusiasm. The parents interacted with the dignitaries and clarified their queries. After the lunch the students are made to visit the amenities of SITAMs, the faculty members guided the students.

Industrial Visits

Revands Plastic, Puthalapattu, Chittoor

The MBA students participated in an Industrial tour, led by Ms. Pavithra, HR Manager. The tour provided insights into the manufacturing process, marketing strategies, and business operations. Ms. Pavithra and her team shared their expert knowledge, addressing student's queries and offering practical advice. The tour effectively bridged theoretical concepts with the real-world applications, enriching the students' understanding of industry operations. **Co-ordinators: Dr. H. Viswa Kiran**, Professor, **Mr. S.L. Sai Venkat**, Assistant Professor .
