## Report on the National Level Two Weeks Online Student Development Program on Amazon Web Services (AWS)

Dates: 9th - 23rd May 2024 @ 7:00 PM

The National Level Two Weeks Online Student Development Program on Amazon Web Services (AWS), hosted by Sreenivasa Institute of Technology and Management Studies (SITAMS), concluded successfully, marking a significant achievement in student development and technological education. The program, held from 9th to 23rd May 2024, witnessed enthusiastic participation and was highly praised for its comprehensive curriculum and expert-led sessions.

### Chief Guest

The inauguration of the program was graced by a distinguished Chief Guest, G.Abhishek,VIT University who delivered an inspiring keynote address. The Chief Guest emphasized the importance of cloud computing skills in today's technology-driven world and encouraged students to leverage the opportunities provided by AWS.

### Guests of Honour

Sri K. Ranganatham Garu, Chairman of SITAMS, highlighted the institution's commitment to integrating advanced technological training into its academic framework. His presence and words of encouragement set a positive tone for the program.

Sri D.K. Badrinarayana Garu, Secretary of SITAMS, shared his insights on the evolving landscape of technology education and its impact on student careers.

### Special Invite

Dr. K.L. Narayana Garu, Academic Advisor, provided valuable academic insights and emphasized the significance of cloud computing in modern education. His special address enriched the program's academic rigor.

### President

Dr. N. Venkatachalapathi, Principal of SITAMS, presided over the program. In his address, he underlined the institution's dedication to providing students with industry-relevant skills and knowledge, ensuring they are well-prepared for future challenges.

**Organizing Committee**

The program was meticulously organized by a dedicated team:

Dr. M. Saravanan, Dean Academics at SITAMS, played a crucial role in overseeing the academic integrity of the program. His guidance ensured that the curriculum was both comprehensive and up-to-date.

Dr. P. Sudheer, Professor of Electrical and Electronics Engineering (EEE), and Mr. S. Ashmad, Assistant Professor of Electronics and Communication Engineering (ECE), served as the main Coordinators. Their efforts in planning and execution were instrumental in the program's success.

The Co-Coordinators, Ms. P. Roja and Mr. T. Vijay Kumar, both Assistant Professors in EEE, supported the program with their organizational skills and dedication, ensuring seamless operations throughout the two weeks.

Program Highlights

The program covered a broad range of AWS services, including computing, storage, databases, networking, machine learning, and security. Highlights of the program included:

Hands-on Sessions: Participants engaged in practical exercises that provided real-world experience with AWS tools and services.

Interactive Workshops: Expert-led workshops facilitated interactive learning and deeper understanding of complex concepts.

Certification Preparation: The program included sessions aimed at preparing students for AWS certification exams, enhancing their employability.

Conclusion

The National Level Two Weeks Online Student Development Program on AWS was a resounding success. It not only equipped students with essential cloud computing skills but also fostered an environment of continuous learning and professional growth. The program received positive feedback from participants, who appreciated the comprehensive and practical approach to learning AWS. The commitment and collaboration of the esteemed guests, dedicated faculty, and organizing committee were key to the program's success, setting a high standard for future educational initiatives at SITAMS.
