DEPARTMENT OF CSE(AI)

ORGANIZING AN EXPERT LECTURE

Many participants expressed interest in forming study groups, research collaborations, or even professional partnerships. The event facilitated connections between faculty, and professionals from different sectors, setting the stage for future collaboration in the field. Several participants mentioned that they would be reaching out to each other for future collaborative projects.

The event was a valuable platform for knowledge sharing, networking, and future collaboration. The success of the lecture has set the stage for future events of similar nature, where participants can continue to learn, grow, and contribute to the advancement in research. We look forward to building on this success and organizing more events that inspire professional and academic growth.
