

REPORT ON ALUMNI MEET

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

ACADEMIC YEAR: 2024-25

DATE:29/12/2024

The Alumni Meet 2024 was held on 28th December 2024 at SITAMS College, Chittoor. The event was organized by SITAMS College with the objective of bringing together former students of the Computer Science and Engineering (CSE) department to share their experiences, reconnect with the institution, and guide the current students.

During the event, the CSE alumni visited the department and interacted extensively with the present students. They shared their professional experiences, industry exposure, career insights, and the challenges they faced in the real world. The alumni provided valuable suggestions on technology trends, career planning, workplace expectations, and skill development.

The interaction created a positive and motivating environment, encouraging students to understand how the industry works beyond academics. It helped them gain clarity about job roles, required technical skills, and future opportunities in the IT field. The alumni also appreciated the efforts of the department in maintaining strong connections with former graduates.

The students were able to interact with their super seniors, understand the current industry expectations, and learn real-time workplace realities. The session helped them gain practical awareness, career guidance, and inspiration for their professional growth.
