Date: September 17, 2025

SITAMS was thrilled to host a successful on-campus recruitment drive on September 17, 2025. This event proved to be a major step for our students, bringing them face-to-face with **Recruit CRM** through their hiring partners, **Will2Skill**.

The drive attracted a huge response from our community, with **500 enthusiastic students** attending. Everyone came ready to put their best foot forward and start their professional careers.

The team from Will2Skill managed the initial selection rounds, conducting a thorough process to identify top talent:

- **Initial Selection:** The first round of screening narrowed the pool, with **131 promising candidates** advancing to the next stage.
- **Final Shortlist:** After a demanding evaluation, **95 candidates** were shortlisted. This group performed exceptionally well and **were selected to proceed** to the final interview rounds directly with Recruit CRM.

This strong performance reflected the quality of our students and the excellent training they received at SITAMS.

The Management, HODs, staff, and the entire SITAMS family **congratulated** the **95 candidates** on their success and outstanding performance during the drive.

SITAMS **thanked** Recruit CRM and Will2Skill for providing such a valuable platform. This recruitment drive was a fantastic opportunity for students to engage with a leading company, and the institution looked forward to celebrating their future success.
