

One Day Career Guidance Program on “IT industry - Challenges”

Resource : Mr. Sufiyan, Campus Interaction Manager, TAP Academy.

Date : 23th March 2023

SITAMS college, organized One Day Career Guidance Program on “IT industry - Challenges” Mr. Sufiyan, Campus Interaction Manager, TAP Academy.

Mr. Sufiyan, has vast experience in the field of software training. He trained hundreds of fresh engineering graduates and helped them in getting placed in different companies.

He created the awareness on the expectations from the companies. He guided the students how to prepare for the online tests, technical interviews and HR interviews.

All the final year students responded well for the interaction session. They participated in the mock interview session conducted to create the awareness on how to present themselves during the selection process.
