SITAMS/CDC/2025

07.03.2025

Technical Training on Coding Skills and Generative AI Tools

Date: 7th March, 2025

Time: 9.30 AM to 4 PM

SITAMS Placement Cell in collaboration with Focus 4D Career Education Pvt Ltd in and APITA conducted **LinkedIn Career Kickstarter Program** on 7th March 2025. All the students from 2nd and 3rd year participated in this program.

The program agenda included:

- 1. Introduction to LinkedIn:** Students will learn the basics of the LinkedIn platform and its significance in career development.
- 2. Advanced LinkedIn Usage:** Our trainers will guide students on how to leverage LinkedIn's advanced features to enhance their career prospects and networking opportunities.
- 3. Premium Subscription:** As a special offer, students will receive a complimentary 3-month premium subscription to LinkedIn, providing them with exclusive access to premium tools and resources.

The resource persons explained step by step in detail to get activation of LinkedIn Premium.

How to create the profiles, how to get exposure in the global job market and how to search for the relevant job positions for freshers and other doubts from the students were clarified.
