Department of ECE
On
"PROJECT EXPO 2K22"

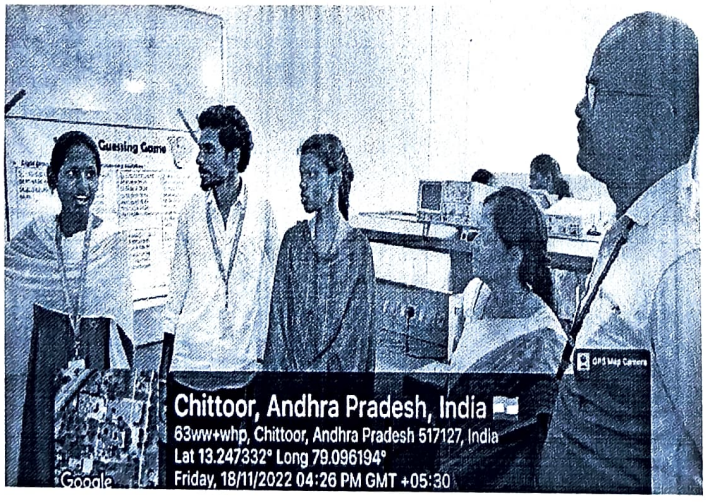

The **Department of Electronics and Communication Engineering (ECE), Sreenivasa Institute of Technology and Management Studies (SITAMS)** organized **"PROJECT EXPO 2K22"** on **18th November 2022** from **2:00 PM to 4:00 PM** at **Main Block – 409, SITAMS.**

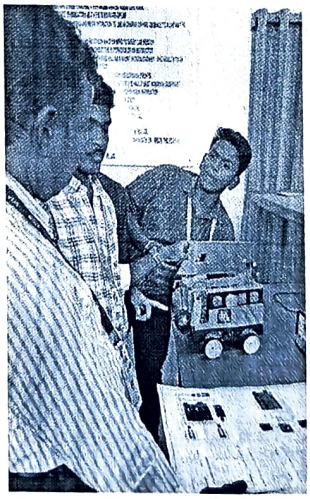

The Project Expo was organized to provide students with a platform to **exhibit their innovative ideas, technical projects, working models, and prototypes**. The event encouraged students to apply their theoretical knowledge to practical engineering problems and develop solutions through project-based learning.

The expo focused on fostering **innovation, creativity, technical skills, teamwork, problem-solving abilities, and entrepreneurial thinking** among students. It also provided an opportunity for students to explain their project concepts, demonstrate their working models, and interact with faculty members and fellow students.

The event motivated students to explore emerging technologies and develop solutions relevant to real-world applications. Such activities help students gain practical exposure and improve their confidence in **designing, developing, testing, and presenting engineering projects**.
