INDUSTRIAL VISIT TO SNAM ALLOYS, PAKALA

BY

2nd Year Mechanical Engineering on 22-10-2026

SITAMS, Mechanical Engineering department students visited SNAM ALLOYS on 22-10-2026. The plant is located in Pakala, Chittoor Dist. It is one of the most prominent industry for making alloys which is required for casting process. The company is exporting its products more than 40 countries across the world. Our students have got benefited after visiting the industry.
